Interest areas :

- Typography
- Visual Communication

EDUCATION

PhD in Design *(2020-2026, Thesis submitted, Defense pending)*

Indian Institute of Technology Delhi, New Delhi, India

Topic : Systematic assessment of children's Odia handwriting legibility

Courses : Design for User Experience, Media Studies, Social Immersion, Design in Indian Context, Psychological Testing and Behavioral Assessment

B.Tech. in Industrial Design *(2014 - 2018)*

National Institute of Technology, Rourkela, Odisha, India

Courses : Product Design, Interaction Design, Ergonomics in Design, Geometric and Solid Modelling, Elements of Design, Art and Aesthetics in Design, Computer Aided Design

Class 12th (Science) *(2014)*

Newton College of +2 Science, Sambalpur *(Board - Council of Higher Secondary Education, Odisha)*

Subjects : Physics, Chemistry, Mathematics, Information Technology, English, Sanskrit

Class 10th *(2012)*

Saraswati Vidya Mandir, Bargarh *(Board - Board of Secondary Education, Odisha)*

Senior Certification - II (Art and Craft)

Odisha Lalit Kala Academy, Bhubaneswar, Odisha, India

Skills : Sketching, Painting (Water Colour, Acrylic Colour, Poster Colour, Pastel Colour, etc.), Thermocol modelling, Teracotta, etc.

INDUSTRY WORK EXPERIENCE

UX and UI Designer *(2018 - 2020)*

Think Design Collaborative, Bengaluru, India

As a UX and UI Designer at Think Design Collaborative, I contributed to projects in web and mobile-based applications, wearable device and large screen displays design across domains like health, finance, banking, e-commerce, education, and data analytics. My work as a designer involved -

- Conducting user research to understand user needs and painpoints
- Integrating business requirements into design
- Visual design of user interface
- Interactive prototye design
- Design system and assets creation

TEACHING EXPERIENCE

Assistant Professor *(August 2026) - Continuing)*

Pearl Academy, Delhi

As an Assistant Professor at Pearl Academy (Delhi), I have conducted classes for B.Des. and M.Des. students on the following courses.

- **CACDU5TPE375 - Data Visualization** (3 Credits) - UG & PG (Elective Course, Class strength - 20)
  - The course provided students with the necessary techniques for analysing various data types and translating them into informative, compelling, and interactive visualizations.
  - Students learned how to apply various visual encoders to effectively convey complex information to diverse audiences, recognizing how design choices are influenced by context and culture.
  - They also implemented interactive softwares and Gen-AI based applications to explore innovative approaches to data visualization in digital media.

- **CACDP3THM601 - Context Setting** (3 Credits) - PG *(Compulsory Course, Class strength - 20)*
  - The objective of this course was to enhance students' comprehension of diverse research methodologies, encompassing both quantitative and qualitative approaches, and to facilitate the practical application of these methodologies.
  - As a part of this course, students collected user data using various data collection methods, analyzed the data and discovered user needs and painpoints.
  - The outcomes of the research activity in this course was to be used for their major design project in the subsequent semester.

Teaching Assistant *(2020-2026)*

Department of Design (DoD), IIT Delhi, India

As a Teaching Assistant at DoD, IIT-Delhi, I have contributed to the following academic activities.

- **Course Taught :**

  DDL 126 - Typography and Layout (3 Credits) - UG & PG *(Compulsory Course, Class strength - 20)*
  Covered topics in History of Typography, Anatomical Features of Letterforms, Composition and Hierarchy, Grids and Layout Systems

- **Demonstrations conducted :**

  DDL 217 – Photography, Illustration and Moving Images (3 Credits) - UG
  Covered basics and few advanced features through Adobe Photoshop, Adobe Illustrator, Adobe InDesign

  DDL 223 – Cognitive Ergonomics (3 Credits) - PG
  Covered topics in Human Factors in Visual Design, Wayfinding Systems, Signage Design

- **Assessment conducted :**
  DDL 111 – Visualization Techniques, DDL 125 – Elements of Design, DDP 731 – Communication and Presentation Skills

Guest Faculty *(August 2024)*

Woxen University, Hyderabad, India

As a guest faculty, I taught a week-long module titled “Exploration of Typography and Techniques” to B.Des. students. The course covered topics on Anatomy of letterforms, Composition and Hierarchy, Modular Typography, Expressive Typography, and basics of Publication Design.

JOURNAL PUBLICATIONS

1. Tripathy, A. K., & Dey, S. (2026). **Development and validation of the Odia handwriting evaluation tool (OHET) for lower primary school children.** *Reading and Writing*. https://doi.org/10.1007/s11145-026-10780-x

   Publisher - Springer *I.F. - 2.2,*
   Quertile - Q1 *Indexing - SCOPUS, SSCI, ProQuest, etc.*

2. Tripathy, A. K., & Dey, S. (2026). **Identification of typographic factors of lower primary school children's handwriting legibility in the Odia script.** *Journal of Occupational Therapy Schools & Early Intervention,* 1–18.

   Publisher - Taylor and Francis *I.F. - 1.1*
   Quertile - Q2 *Indexing - SCOPUS, ESCI, EBSCO, etc.*

3. Tripathy, A. K., & Dey, S. (2026). **A semiotic analysis of the anatomy of Odia letterforms.** *Visual Communication Quarterly*. https://doi.org/10.1080/15551393.2026.2669476

   Publisher - Taylor and Francis *I.F. - 0.5,*
   Quertile - Q3 *Indexing - SCOPUS, ESCI, Web of Science, etc.*

4. Tripathy, A. K., & Dey, S. (2024). **Effects of Odia Handwriting education on children's letterform comprehension**. *The International Journal of Design Education*, 18(2), 125–147.

   Publisher - CGScholar *I.F. - 0.7*
   Quertile - Q1 *Indexing - SCOPUS, EBSCO, ProQuest, etc.*

CONFERENCE PUBLICATIONS

1. Tripathy, A. K., & Dey, S. (2025). **Understanding teachers' perceptions of legibility and readability parameters for Odia handwriting instruction and assessment.** In A. Chakrabarti, V. Singh, P.S. Onkar & M. Shahid (Eds.), Responsible and Resilient Design for Society, Volume 2. ICoRD 2025. Lecture Notes in Mechanical Engineering (pp. 55–67). Springer. https://doi.org/10.1007/978-981-96-6511-2_5

CONFERENCE PRESENTATIONS

1. "Development and Validation of the Odia Handwriting Evaluation Tool (OHET) for Lower Primary School Children" - presented at t**he 4th Paris Conference on Education (PCE 2025)** held at Sorbonne University, Paris, France, from 10th to 14th June, 2025

2. "Investigating the Factors Affecting Primary School Children's Handwriting Legibility in Odia Script" - presented at **the 12th European Conference on Language Learning (ECLL 2024)** held at the University College, London, United Kingdom, from 11th to 15th July, 2024.

3. "Effects of Odia Handwriting Education on Children's Letterform Comprehension" - presented at **the 17th International Conference on Design Principles & Practices** held at the Polytechnic Institute of Lisbon, Portugal, from 29th to 31st March, 2023.

AWARDS

1. **Distinguished Paper Award,** for the paper titled "Understanding teachers' perceptions of legibility and readability parameters for Odia handwriting instruction and assessment" presented at the International Conference on Research into Design (ICoRD) 2025, held at the Indian Institute of Technology, Hyderabad, from 8 to 10 January 2025.

2. **Research Excellence Travel Award,** by the Industrial Research and Development Unit, Indian Institute of Technology Delhi for the academic year 2025-26.
